## HAIR

The College's policy on hairstyles has been formulated giving due consideration to community expectations, hygiene and safety.

- Hair must be of one natural colour. Hair must not be unnaturally bleached or darkened or changed in any extreme manner.
- The addition of hair colour must be so subtle that it does not necessitate visible hair growth.
- Hairstyles are to be neat, clean conservative in style. They must be appropriate to our College Uniform.
- Extremes of colour and style are not acceptable.
- Hair should not be inappropriately short or shaven – haircuts with a No.1 blade or below are not acceptable.
- No lines or patterns are to be shaved into student's hair
- Hair must be off the face at all times.
- Hair falling below collar length must be all one length and be tied back using bottle green, black or white ribbons, combs or bands.
- Students hair may not have extreme differences in length – such as very short back and sides and a long top as may be seen in an 'undercut' or 'top knot'.
- Hair products (e.g. gel, mousse) need to be used sparingly and look neat and conservative.
- Boys must be clean-shaven. Side burns are to be no further than the mid-ear.
- Students who contravene these rules may be sent home to rectify the issue.

***It is impossible to provide a list of every hairstyle variation that is acceptable. If in doubt, students must speak to their Assistant Deputy Principal BEFORE changing their hairstyle***

***Parents are to meet with their respective Assistant Deputy Principals to resolve any issues regarding grooming.***
